---

Dear Melaine,

The letter sent to you on May 9th identified 5:00 p.m. May 13th as the deadline for you to provide to Michelle a completely edited copy of the LearnWorlds version of Mickaboo's Basic Bird Care Class. We also requested that you grant admin access to Sarah Lemarie for the course content on the LearnWorlds platform by 5:00 p.m. deadlines have passed and we have not received anything from you.

Since you have failed to meet the deadlines, this letter officially notifies you that you are no longer a volunteer with Mickaboo Companion Bird Rescue.

We have suspended all of your privileges and will no longer provide you with access to our files or resources. Any Mickaboo files or information must be deleted or destroyed within 24 hours. Please complete the acknowledgment that we will send you via Panda Doc confirming the deletion and/or destruction of material.

Please note that you are not to participate in any Mickaboo-related events or activities or to represent yourself in any way as a Mickaboo volunteer.

Regarding Mickaboo foster birds: our records indicate that you currently have no foster birds. If this is not the case, please let us know immediately. To contact us, please use either of the following:

[tammyazzaro@mickaboo.com](mailto:tammyazzaro@mickaboo.com)  
[msyesney@gmail.com](mailto:msyesney@gmail.com)

We would like to thank you for your contributions and for your support of our efforts in the past. We are truly sorry that this has not worked out as well as we all had hoped.

Signed,

The Executive Committee of the Board of Directors  
Mickaboo Companion Bird Rescue
