[Donate Now](#)

We would like to take this opportunity to make you aware of current and future events in the [Mickaboo world](#).

- We recently released two volunteers. These former volunteers have launched a campaign that is spreading misinformation via half-truths, attempting to discredit Mickaboo's long-standing reputation as well as the reputations of some of our veterinary partners. They may be seeking to have this misinformation published in the press. Their positions boil down to disagreements with Mickaboo's leadership and about Mickaboo's operating model.

We want to assure you that this situation is being handled with the utmost seriousness. We are proud to have the support of the veterinary community with whom we partner and have started a [webpage showing letters of recommendation from our veterinary partners](#).

- [Mickaboo](#) is hosting an in-person **mini-adoption fair and toymaking event** at the Museum of American Heritage, 351 Homer Ave, Palo Alto, on June 28, 11:30 - 3:30. Space is limited (that's why it's a "mini" event), so [please register here](#). We expect to have conures, amazons, and budgies - and amazing volunteers to talk about all of them.
- Our **Summer Auction and Fundraiser** starts on July 16 with a matching gift day! We will feature our normal eclectic assortment of items for your feathered friends, bird-loving friends, and anyone who appreciates helping bird rescue OR getting a bargain! We will send you links and more information closer to July 16.

If you have questions or concerns on any of the above, please contact us at mail@mickaboo.org.

With your support, Mickaboo has helped thousands of birds find safety, care, and loving homes since 1996. We remain steadfast in our mission and to the values you support. Thank you for your trust in Mickaboo.

Yours,
Pamela A Lee
Development Director
